HEY! WE'RE No.

We first cried "Hey, we're Number One!" at a football rally in September. We began to realize that our Monarchs were on their way to capturing both the Division and Class A City Championships. We then knew what we had subconsciously felt ever since the Class of '68 first entered Cabrini High: we're the greatest school in the world. And we are the greatest school in the world because of the greatest Senior Class in the world—the Class of '68.

Since that first rally, our school spirit grew and grew until it became almost tangible—we could feel it at our rallies, games, victory dances, and even classes.

This Number One spirit inspired us to prove our superiority in areas other than football—the best basketball season ever; a division championship in girls' basketball; debating, Genesian, and many other awards; and this Number One yearbook.

It's been proclaimed in cheers and songs, and written on signs and flags, and even painted on cars. Now it's the Class of '68's turn to say,

"HEY WE'RE NUMBER ONE!"

Msgr. Hubert A. Maino

Father John Horan

Father Arnold Bastien

Father Thomas McWilliams

Our Men In Black

Our happy, healthy spiritual attitude can be attributed to the work of four important people.

Monsignor Hubert A. Maino first came to Cabrini in 1963. Since then, he has taken an active interest in our high school and the welfare of its students. We are indeed grateful for the concern this benefactor has displayed toward our needs.

Rev. Arnold Bastien, is primarily concerned with the grade school and his position as assistant-principal there. However, Cabrinians will long remember him for his intellectual and moving yet down-to-earth sermons.

A well-known figure of Cabrini parish is Rev. Thomas McWilliams. Father, who teaches junior religion, is noted for his wit and revolutionary thinking.

It is Fr. Horan who will be most remembered by the class of '68. Father, athletic director, has done more to boost the school spirit of Cabrinians to its Number One position than any other person. Father's energetic and enthusiastic pep talks at our rallies inspired responses from both team members and student spectators as well.

We are indebted to these fine men for their concern and guidance over these past years.

Mr. Richard Gorno

Number One Faculty

Sister M. Sophia is the Number One principal of our Number One school. A pioneer of Cabrini, Sister became principal after fulfilling her first assignment as biology instructor. As principal, she introduced modular scheduling to our school curriculum. We are all deeply indebted to Sister for her dedication to each student at Cabrini High. All of her endeavors are sincerely appreciated.

Holding the position of Assistant Principal, as well as Dean of Boys, Mr. Daniel Fraser teaches classes in senior religion and developmental reading. He is also moderator of Debate Club and **Clareon**. Also a pioneer of Cabrini High, Sister M. Patricia is a very busy and dedicated teacher. Instructing classes in drama, senior religion, and music, she also supervises the Choralaires, Junior Chorus and NCTC.

The moderator of the Future Teachers Association is Mrs. Jeanne DeLisle, who teaches typing, shorthand, office practice and general business. Sister M. Ambrose teaches religion, advanced English, and senior English. The instructor of junior English and religion, Sister M. Modesta is moderator of National Honor Society and Dean of Girls. Mr. Richard Gorno instructs seniors in American government, economics, retailing and salesmanship.

The moderator of Chess Club, Mr. Michael Mondal teaches trigonometry, physics, and physical science. Mrs. Mary Johnson, instructor of chemistry I and advanced chemistry, officiates as advisor to the Future Scientists of America. Sister M. Harriet, moderator of the Student Council, teaches biology I and advanced biology. Mr. Robert Lopez teaches typing, Spanish I, and religion, and supervises the Future Business Leaders of America.

Holding a joint claim on the French Club are Sister M. Roseline and Mr. Eugene Rozac, moderators. Sister teaches French I and II. Mr. Rozac teaches the Advanced French students, as well as French II. Mrs. Kathleen Hampel teaches English I, and all Latin classes. She also guides the Junior Classical League. Keeping the books straight is a job that Sister M. Lucille handles very well as Cabrini's Librarian and Library Service Club moderator.

Teaching algebra I and II, as well as religion III, is Sister M. Estelle. Sister M. Evangeline teaches religion and English I, oversees the Mission Club, and manages the book-store. Mr. Ramzi Shamoun occupies himself by teaching physical science and algebra II. "Think Snow" is the motto Mr. Jeff Schorr initiated at Cabrini High as moderator of the Ski Club. Mr. Schorr teaches American history and journalism.

In the area of sports, Cabrini boasts three fine coaches. Mr. Glen Goode, boys' physical education instructor, coached our Number One football team to its City Championship. Supervising the Varsity Club athletes is Mr. Tom Hinkle. Mr. Hinkle coaches the Monarchs basketball team and teaches boys' physical education and health. Guiding our cheerleaders through our championship seasons is Mrs. Eileen Sabol, girls' physical education instructor. She moderates the Girls Athletic Association and coached the girls' basketball team to a division championship.

While Cabrinians were boosting their school to a Number One standing, three dedicated people worked to keep our school in smooth running condition. It is to these three people who have sacrificed many hours of their time, that we owe a deep vote of thanks. They are: Mrs. Lillian Nadeau, Mr. William Forbes, and Mrs. Clare Siatkowski.

A pioneer of Cabrini High, Mrs. Nadeau has been the secretary of CHS for the past eight years. Busy with errands, calls, mimeographing papers, or another of her numerous duties, she many times has given prompt aid to a hurried teacher who needed a test to be typed or a class to be supervised.

Mrs. Lillian Nadeau

Number One Helpers

Mr. Bill Forbes

Mr. Forbes is the custodian of CHS. Better known as Bill, he can be paged any time to meet the sudden emergencies which always seem to come up. Famous for his whistle, Bill drives the bus along with fulfilling his other duties.

Mrs. Siatkowski, better known as Mrs. Clare, is the lady custodian. She tackles the minor jobs with as much enthusiasm as she does the more important ones, for which we are grateful.

Mr. Forbes and Mrs. Clare are familiar sights to all Cabrinians as the two cheerfully go about their daily tasks.

HEY! WE'RE No.

Underclassmen have contributed greatly to the spirit of Cabrini High. They have proven themselves not only in football and basketball, but also in academic endeavors.

ACTIVITIES

Somewhere Over The Rainbow . . .

Homecoming '67.

Couples drifted into the romantic atmosphere of the Land of Oz and danced to the melodic strains of the "Blue Notes." The magic moment came for Eileen Melkus at 10:00 p.m. when she was crowned Homecoming queen. She reigned over the entire gala weekend. "Somewhere over the Rainbow", as the last notes of music and fun faded into many hearts and memories, the tinman cried.

Sunday morning, the sun shined down on the fourth annual Homecoming parade, as it proceeded from Cabrini's parking lot to Allen Park High's football field to witness the Monarch's victory over DePorres. The team was cheered on to a final score of 26-6. The half-time ceremonies included the crowning of the queen by the co-captains of the football team.

The weekend was brought to a close as Cabrinians gathered around the dying embers of the bonfire. Weeks of hard, but dedicated work, went up in smoke. But the flame in our hearts will never die, and the sweet memories it gave us will live for years to come.

68 Ski Trip

St. Paul of the Cross retreatants pause for a moment of meditation.

"Pass the frogs, please"

The 1968 Annual Student-Faculty game was held March 21 in our high school gym. Pushed on toward victory by the "lady" cheerleaders, the faculty managed a victory of 56-42.

Miss Pope, Miss Mallace, Mrs. Hampel, Mrs. Sabol, and Mrs. Johnson donned uniforms and constituted the faculty's cheering section. Hoping to rally the men's spirits they proceeded to "Charleston" and march around the gym floor.

Coach Hinkle and Mr. Sabol were scoring leaders with 19 and 20 points respectively. Mr. Moutrie dressed in a plaid skirt and our "Jolly Green Giant" Mr. Robert Lopez proved to be a great attraction to the crowd. Fr. Horan also took part in the fun.

The students, however, were not exactly shadows as they managed to confuse and amuse the teachers throughout the game. Greg Kolecki paced the seniors in a losing effort with 13 points.

Ron, if you take that picture, I'll get my mother after you.

HEY! WE'RE No.

Cabrini High is Number One ... because the SENIORS
are.

SENIORS

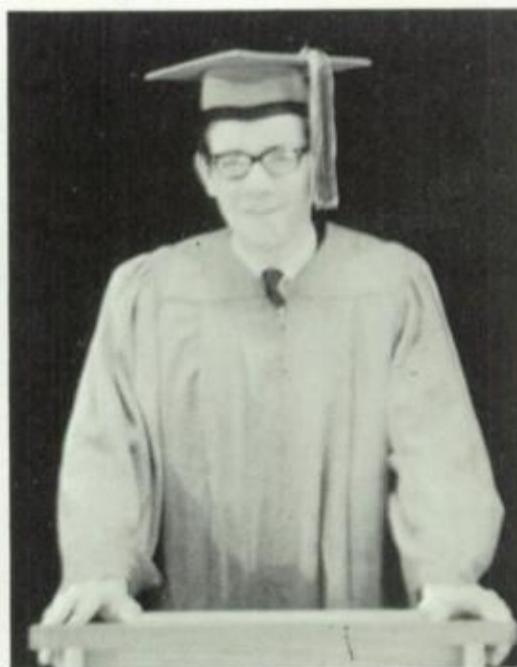

Senior class officers include Class President Patrick Murphy, Vice-president Kathy Alessandro, Secretary Sue Kamalay, and Treasurer Jim Nikodemski.

Elegant gowns, formal tuxedoes, fragrant corsages, beautiful music . . . these are the memories remaining of the senior prom of 1968.

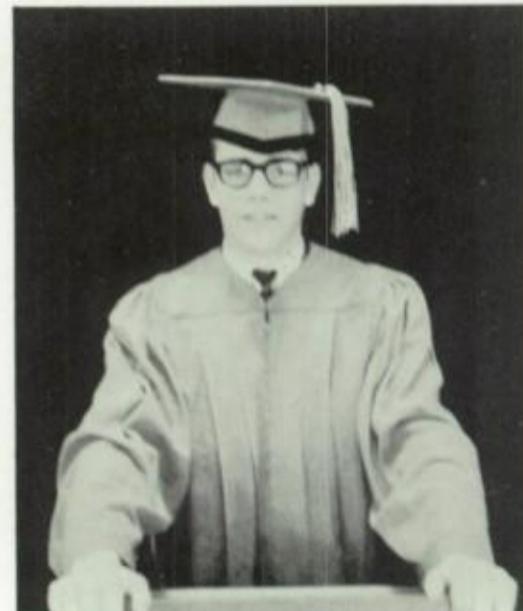

The prom, held at the majestic Stouffers Northland Inn, was preceded by church services. The theme of Some Enchanted Evening from "South Pacific" was complemented by palm trees and tropical birds. Miniature pineapples prepared by the prom decorations chairman, Darlene Woolsey, and her committee were given as favors to the girls. After a sumptuous dinner of roast sirloin of beef, potatoes, vegetables, salad, rolls and sundaes, couples danced to the music of Dan Naimowicz and his quintet.

Focal point of the evening was the crowning of Kathy Mepham as prom Queen by Jim Nikodemski, Prom King. The court attendants were Rosemary Pung, and Rich Miller, Kathy Wagensonner and Terry Cosgrove, Bill Cassidy and Debby Schultz, Ronnie Groke and Doug Leonard, Anita Marks and Pat Murphy.

Yes, these are only memories but for the class of '68 they will live on and on.

Greg welcomes graduates

Pat bids farewell to Cabrini in the name of the graduates

In keeping with contemporary graduation procedures, the administration deleted the positions of Valedictorian and Salutatorian and had the Welcoming and Farewell speeches at graduation given by the Student Council president and the senior class president.

Preceding the graduation by a week was the Convocations Ceremony at which all the graduates who received any special recognition scholarship, award etc. were present and honored.

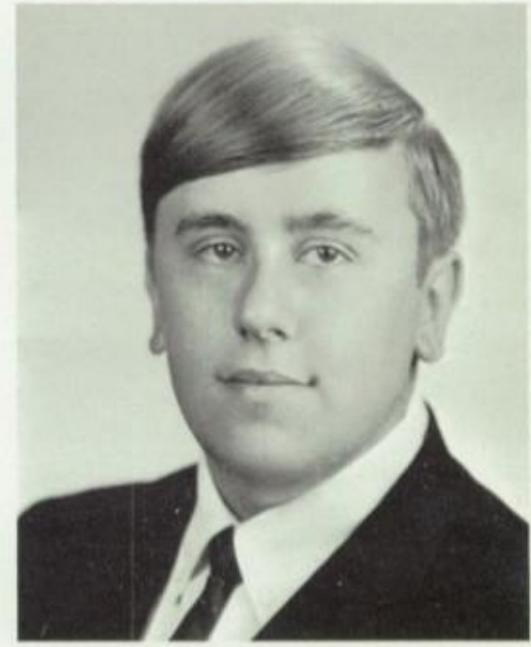

On graduation night, the student council welcomed everyone, diplomas were presented to the graduates, by msgr. Hubert Maino, then Pat Murphy bid farewell to those present from the class of '68.

Dear Graduates,

You have reached a milestone in your life—graduation from high school. I wish to extend my most sincere congratulations for your fine work and endeavors in reaching this goal.

You are entering a challenging world today as probably never before. Tremendous advances are being made in science, medicine, social legislation, etc., on the one hand, and on the other hand we have race riots, poverty amid plenty, atomic bombs and really advanced methods of exterminating mankind.

So you have a real challenge facing you. To paraphrase President Kennedy's words, "It is not what the world can do for you, but what you can do for the world." The future is yours. May you do well with it and face life as you are equipped to do.

May I join with your parents, teachers, counselors, friends and relatives in wishing each of you the very best of everything.

A handwritten signature in cursive script that reads "Francis E. Burger".

Congratulations!

Columbus landed on an island and discovered two continents he hadn't dreamed of. Discovery is like that. It always creates new challenges.

We hope you'll look upon your high school diploma that way. And use it as a base of exploration that will take you on to college and the challenges which await you there.

By the time you graduate, you will have found a few answers. And discovered many more questions. Then you'll be ready to start exploring again.

*Having Been
 No 1 This Year
 Let Us Continue To
 Be No 1 In Whatever
 We Do In Life*

Farewell ...

"... The time has come, for closing books and long last looks must end. And as we leave, we know that we are leaving our best friends ..."

The song was "To Sir With Love." It holds a message that only a high school senior could understand and love. And for the Cabrini seniors of 1968 it could hold no greater meaning. We have shared the four most crucial, impressive, and exciting years of our lives. But the sad fact still remains, our four years together are now over. Everything now, is too soon a memory, and we recall with regret that it all happened so fast. As we glance back to a date four years ago, we see ourselves entering Cabrini halls for the very first time as naive gawky freshmen. Gradually, we grew together as one, we laughed, we cried and we loved, and now we must say good-bye. But as the word "good-bye" leaves our lips, we can sentimentally accompany it with treasures from our vault of golden memories. Memories that belong solely to the Class of '68 and are cherished in a special place in our hearts labeled, "CHS-1964-1968." These memories will be ours until the twelfth of never. Memories like freshman initiation, paper drives, canteens, Mac's, detentions, jugs, Trig classes in the audio-visual aids room, ski weekends, Roman Banquets and silent movies, scholastic letters, honor roll, Homecomings, turnabout days, spirit weeks, Varsity haircuts—especially Tony Pastor's, college application deadlines, six Journal entries due in three mods, class rings, economics definitions, Hamlet records, chalk talks, cow's hearts in Advanced Biology, candy Machines that never work, Spinsters, floor level drinking fountains, locks that refuse to open, powder-puff football games, current events tests, almost blowing up the Chemistry lab, Allen Senior High, our sophomore year mountain float, exchanging class pictures and namecards, zits, "City Champs", "Hey we're number one!", "Best of the West", "Rip 'em up, tear 'em up, give 'em hell Monarchs", absentee lists with 165 flu-stricken names, A. P. English, split peas at Mac's, marching in the St. Patrick's Day Parade, "Monarch Power", bonfires, air-filled bags of chips, Trig parties, "Sorry for disturbing", the Cliquemobile, singing the Alma Mater with tears in your eyes at a retreat house chapel, poster parties, 15 minute pep rallies lasting 45 minutes, a leaping mascot, float meetings, and most of all, who will ever forget SENIOR CLASS MEETINGS!!

There are certain names and characteristics of certain people that we will surely never forget, Buzz, Gasso, Brookie-pooh, Alley-Kat-Pookie, Barney, Wead, Spot, Ralph (Nig), Thom, Toot, Smitty, Mess, J. C., Botard, Nick (alias Niko), Wag, Gomer, Randy, Gore, Willy, Tom, Danos, Scar, Koop, The Clique, Pete, Chump, Brute, P. J., Moe, Klunker, Ziel, Hips Hogan, Sue-Sue-Dum-Dum, Stash, Creep, Peaches, Clancy, Kusz, LuLu, "Twiggy Gaworecki" and Skut. And what about Mike Harvey and his crutches, the wit of Kathi Hill, happy-go-lucky Chet, Spool and her Girl Scout cookies, Tony Johnson's and Randy's Volkswagens, jolly Janet Jolly, the songs of Mary Ellen Brown, Wead's Halloween party, Gary "paperdrive" Burtka, camera-bug Laura Cipta, Lee Dubuc's screech, Sandy Drobot's fudge, Dunleavy's flying leaps and toe touches, Ken Filak and his coughing spray in Latin class, the creativity of Patty, Mary and Darlene, Eddie-Joe's punts, Hattar's puns, Vic Schmidt's driving, cooperative Kusz and Poirier, Ralph's Austin-Helly, Niel McCarthy's airplanes, Janet Downing and Kathy Mepham working hard on our Monarch's suit, the diligence of Joanne Moore, Kathy "Frat" Mullen, hippies John Duncan and Dave Stitz, diplomatic Greg Stec, hockey-fiend P. J., George Szoc's drum and GTO, Marks' imitations, flirty Pat Murphy, Nick the Ham, Frizzo-Pizzo, the laugh of Syndi Paape, microphone-man Tom Taksony, Homecoming Queen Eileen, and last but not least Judy Kenzie!

"... To everything there is a season, and a time for every purpose under Heaven.

We have had our time to grow, encompassed in the secure womb of Cabrini. Now the time comes to be born again, born into this vast and complex world where a separate world awaits each of us. For most of us that world will be marriage, for others, careers, and for far too many it will be the armed forces. Now it is time to look forward not with dread and hesitation, but with hope and anticipation. We hold the clay of the most beautiful world man has ever known. All it needs are the hands of our "spirit of '68" to mold it.

So, with a tear in our eyes, but a smile in our hearts, let us gather up our memories and move on to our future.
